Date of Passing: 09/01/2024

It is with a heavy heart and profound sadness that we announce the sudden and unexpected passing of Robby Hansen, a vibrant and loving father, son, brother, and friend. Robby left an indelible mark on the lives of everyone he touched. His untimely departure has left a gaping void in the hearts of his loved ones.

Born on May 29, 1981, Robby lived a life filled with fishing, camping, building, and art. He loved to create beautiful woodwork in his free time, as well as draw. Robby lived a life marked by struggle, but even through those challenges, he was a man who loved his children and family deeply. He was the kind of man who made you feel safe around him and was always willing to lend a listening ear or a helping hand if you were in need. He could fill a room with laughter in a matter of seconds. He was the type of man who encouraged you to be the strongest version of yourself.

He will always be remembered for his humor, kindness, and selflessness.

He is survived by his children: Starla Williams, Angelique Hano, Alyssa Hansen, Domanick Hansen, Alec Hansen, Atreyu Hansen, and Naome Hansen; his sister, Candy Durant; his niece, Zahra Durant; his nephew, Lucian Durant; and his cousin, Shane Kersey. He is welcomed into the afterlife by his mother, Linda Hansen, his father, Andrew Hansen, his Grandma Wilson, and his Uncle Ronald.

His memory will be cherished by all who knew him, and he will continue to live on through his children and loved ones.

In lieu of flowers, his family kindly requests donations to SAFE Project, a non profit committed to saving and changing lives impacted by substance abuse and mental health disorders.

A celebration of life service will be held at Shoreline Park in Gulf Breeze, Florida on the 15th. It will be a full day event, with laughter, tears, memories shared, and food provided.

“ I met Robby when we were very young, he always had such a great sense of humor and an immense love for his family. There was one time, he hit someones mailbox with my cars right side mirror while driving my geo metro and the cops showed up at my house. Man my parents were ticked hahahaha I was just as broken as he was back then but I'm glad to have known him. He taught me a lot about life and how to make it fun. Rest easy old friend.
