“ I went to school with Bobby. He came from a very hard working, loving, caring family. His mom and dad always welcomed anyone that showed up at their house. I hadn't seen him for many years, but I'm sure if I had we would have taken up where we left off 50 plus years ago. It's great that he got to enjoy family and grandkids when he did. I'm sure he will be missed by many people.

“ *Bob was the most caring man, he always made you feel welcome as well as the best your guide around. I have never heard Bob say a bad word about anyone - he truly was a treasure. He loved Sharon with all his heart and will truly be missed. No more suffering for him*
