“ I am so sorry for your family's loss of Bob. Such a fun, friendly, professional man. I've always loved Bob and Carolyn. I had the privilege of working with Bob and Carolyn at the Courthouse during Judge Washington's 10 years. The funnest memory I have is when I turned 40. I dreaded it. I took vacation over my birthday so no one would know or celebrate it at work. Upon return I remember Bob meeting me at the front door as I came in smiling saying Happy Birthday!! We went to the elevator and signs were posted in the elevator and on the 5th floor hallway and my office all about my 40th birthday with my name. Everybody knew 🙏🙏 Rest in peace my friend in the arms of Jesus completely healed. I am honored to be blessed with the friendship of Bob and Carolyn.
