“ *My Poppy was the best granddaddy I coulda asked for. We had a joke, that he was my favorite granddaddy (and it was funny, because he was my only granddaddy) Our favorite thing to do together was to eat Krispy Kreme doughnuts. There wasn't a time I came to visit that we didn't eat them. Growing up our favorite snacks to eat together were banana Moon pies, and Peanuts in Dr.Pepper. He loved golf more than anyone I ever knew, you could always find him on a golf course somewhere. Pop was bigger than life, and his laugh was my favorite.*

Glenn was a very generous, loving man. He loved his wife and family with all his heart. He will be missed by so many. He made friends very easy and was know by many wherever they were. When we were out with him almost every one we passed -- it was Hi Glenn, how you doing.

I remember him helping our Grandmother no matter the time or day , when ever or how ever was needed.

We all miss and love you Glenn
