

## Robert Lowe Jr

December 28, 2019

ROBERT “BOBBY” LOWE, JR – age 78, a resident of Mobile, AL, passed away Saturday, December 28, 2019. He was a retired crane operator with IUOE Local 653 and a veteran of the Vietnam War. He was known for his love of a good time, drinking beer and dancing (or boogie woogieing) to his favorite Blues music. Bobby also loved the water and everything associated with it. Later in life, Bobby acquired a special love for the peace and joy that growing and caring for his plants & buds provided him. Above everything, Bobby loved his friends and valued his friendships the most. He had a passionate disposition which in turn meant you didn’t always know exactly which Bobby you were going to get but you could be guaranteed that he would in some way touch your soul and leave his mark on your heart. He and his beautiful blue eyes will be missed by many! He is preceded in death by his daughter, “Renee” Lowe, his siblings, Patricia Lowe, Raymond Lowe, Sylvia Lowe, and his nephew, Dennis Lowe. He is survived by one daughter, his baby girl, Sharon Pollock (Howie), 2 granddaughters, Carlee Holloway and Mary Kate Holloway of whom he was so proud to be called “granddaddy”, one devoted brother, Denny Lowe, many nieces and nephews, one very special nephew, Ray Lowe, and his life-long best friend, Eddie Loftin. In remembrance of Bobby, well-wishers are encouraged to put on your favorite music, write a note of farewell on a can of beer and drink it in his honor. A private burial service will be held on Saturday, January 11, 2020.

Arrangements are entrusted to Cason Funeral Service in Foley Alabama

“ *I have so many memories it is hard to pick one. Uncle Bobby and mama were close and he was always around when we were growing up. He took a father figure approach with us. I remember laughing a lot ... he was funny as hell. One memory that stand out the most is how he took to my son Chris. I remember him in the backyard showing Chris (3 yo) how to cut grass. Chris was trying to push the mower and uncle Bobby was standing behind him helping him move it. My mom took a pic. It is around here or at Sherrys. He had an amazing heart and loved his family. He will be missed by so many!*

“ *Every time I seen Bobby he was always talked to me. He never knew my name as Nancy, he'd say ( I know you're Linda's and Johnny's little sister) and we'd laugh. He was always kind, he loved to make you laugh.*
