“ Dad, you were my bestfriend and my super hero. I know you had your ups and downs but you always took care of me and hunter and made sure we had what we needed. I can't believe you're gone.. All I do is think about you and all you have taught me growing up. I'll make sure your grandson Layton North will know who his papaw was and how great of a man he was. I love you dad and I'll miss you always. Till I see you again, love Neil.
