

Roberta Smith

August 15, 2017

Ms. Roberta W. Smith (Thompson), 82, died peacefully on Tuesday, August 15, 2017. She was born on November 28, 1934 in Los Angeles, California to Maud and Robert Carter. She grew up in Missouri, but after marrying the late Jack Thompson, she later settled in Lakeland, Florida where she raised her family. She was an active member of Scott Lake Baptist Church for many years. Robbie retired from FMC Corporation as a receptionist and thoroughly enjoyed working there. Due to health reasons, she moved to Alabama to live with her daughter and left many of her dear friends behind whom she truly missed.

Her interests included sewing, gardening, decorating, and reading. Her favorite place to visit was North Carolina. Her dying wishes were to have her ashes spread in the mountains.

Roberta is survived by her daughters, Kimberly McLean-Mundy (Mike) and Torri Young; her son, Bruce Thompson (Barbara); her niece, Diane Hutchison; and her four grandchildren, Eric, Courtney, Joshua and Tiffany.

A memorial service for family will be held on Saturday, August 19, 2017, at 5:30 p.m. at Wolf Bay Lodge. In lieu of flowers, donations may be made to the Juvenile Diabetes Research Foundation at the following link: http://www2.jdrf.org/site/TR?fr_id=6919&pg=personal&px=11589785

Tribute Wall

“ *goodbyes mean forever and I know we'll meet again and you'll always be in our hearts so this isn't goodbye this is until I see you again your grandson I love you Grandma.*

Joshua L Thompson - August 18, 2017 at 09:00 PM

“ *Even though we met late in life you've always been my grandma. I'll never forget the moments we shared and the phone conversations we had the trips to your house the birthday dinner you and Aunt kim took me to. The memories we were able to create will never go away when I needed a listening ear you were always there and would always give me your honest opinion good or bad you told it like it was and I love you for that. You are an angle in the sky and I can hear you saying this isn't goodbye because*
