

Ronald R Arrington

May 8, 1944 - April 21, 2019

On Easter Sunday, April 21, 2019, Ronald Royce Arrington, went to be with our Lord and Savior at the age of 74.

From his birth on May 8, 1944 in Princeton, West Virginia to his death on Sunday, he brought joy and laughter to those around him. A graduate of Dartmouth College's advanced management school; Ron was an extremely successful entrepreneur. Ron will also be remembered as a bright and shining light in the various committees, roles he held, and church where he served. Ron truly lived life to its fullest through simple pleasures; watching and analyzing sports, caring for his dear pets, and enjoying a nice glass of fine red wine. Ron loved his family and friends dearly, and had an uncanny ability to connect and reach people in a deep way.

Ron is survived by his wife, Tina, her parents (Ruby and Randall), his stepdaughter Robyn (Daniel), and his brother, Dave (Cheryl). He will also be forever treasured by his two step grandchildren, numerous nieces, nephews and extended family and dear friends. He was preceded in death by his parents.

A Service will be held on Saturday, April 27, at 3:00 p.m. at First Presbyterian Church, 195 East Barry Avenue Hwy 59, Foley, AL. “ *Ron was the most intelligent man I ever knew. He was a wiz at business and succeeded in so many businesses. He had a great mind for numbers and business strategy. Every business he started was a success. His biggest break was when he had a leveraged buyout to head up Chattanooga Glass Company - a well respected, old Chattanooga business. From there he went on. Ron was general and very funny. He was a great golfer and bridge player. And he could keep a crowd laughing to his funny stories most about himself. He was thoughtful of his family and others. And I hear that he became a great friend of the church when he married Tina. The world was a better place for having Ron in it. He will be missed by me and my family.*

“ Many of my memories about Ron are Madeira High School (near Cincinnati) remembrances..... involve his incredible sense of humor, and his basketball skills.....he was a magician with the ball and we all watched Grove City where he won a basketball scholarship.....and Ron and I happened to connect again in Dallas Texas in early seventies. It was only in the past few years that we re-connected through face book...it was a privilege to know him

Yes, as you said Al, Ron was a fun loving guy with a sense of inclusion of "outsiders" into his circle of many many friends. I'm so glad that I saw him at the class reunion of (66 ?) a few years ago. Yes, his basketball skills were amazing....I was a lowly Sophomore, yet he took the time to help me with my skills on his own time. Ron was a friend of mine for all these years...I will miss hm, and I pray that Ron was in Heaven half an hour before the Devil knew that Ron WAS GONE....
....IF ANYONE COULD ARRANGE THAT TIMING, IT WOULD BE RON...GOD SPEED RONNY...

“ I had many wonderful memories of being with my 1st cousin. We used to take family vacations to Myrtle beach every year and even though Ron was 5 years older, he always took time to play in ocean with me. I also can remember the dice baseball game With dice he invented. He kept statistics of the whole season. I pretty sure the Cincinnati Reds were his team. See you in Heaven Cuz!
