MR

“ I met Rusty on a phone call, November 4th 2019. He was living in Columbia, Missouri and was interested in a little business called the Flip Flop Deli in Gulf Shores Alabama. He ended up buying that business and moving to Gulf Shores with his wife Brandy and their daughter. I did not have the opportunity to get to know Rusty and his family as I would have liked. But I have to say that in the times that I was working with Rusty when he was buying the business, I was impressed. He conducted himself with honesty and integrity. He was intelligent, creative and resourceful when making decisions about going into business. I regret that our little community of Gulf Shores did not have the enough time to get to know him, he was truly a good person. May his soul and the soul of all the faithful departed, rest in peace. Amen.

“ Rusty (Russ) was a student in one of my very first jr. high classes when I started teaching. I had him in class again in high school. He was a great student and a nice kid. Recently, we messaged on FB and had a great conversation. My condolences to his family and friends. I pray for God's peace for all of you at this time of loss.
