Sally Tucker Bass Gilmer of Andalusia, Alabama passed away on May 13. She was surrounded by family and departed into the arms of Jesus and her loved ones gone before her.

A 1969 graduate of the Andalusia High School, Sally was a Jr. and Varsity Cheerleader, Jr. and Sr. Honor Society member, Class Favorite, AHS Marching and Concert Band member, and Spanish Club and FHA member.

She then attended the University of Alabama in Tuscaloosa where she was graduated in 1973 with a Bachelor of Science in Education (English major, History minor). Her social sorority was Alpha Delta Pi. Sally did post graduate work at Springhill College in Mobile as well as working toward a Master Degree in Special Education at the University of South Alabama in the 1980s.

A thirty year veteran of the classroom, Sally taught four years at St. Luke's Episcopal School in Mobile, and about 26 years in the Mobile County Public School system from 1979 through 2010 when she retired at age 59. She loved to recount stories of her many memorable experiences in the classroom, most of which were very funny and heartwarming. The majority of her classroom years were spent teaching seventh and eighth grade students where she specialized in presenting the Language Arts (Reading, Writing, Speaking, and Listening) skills.

As a child, Sally was sometimes referred to as "chocolate drop" by her daddy and "Tuckie" by her aunt, Carolyn Brunson Caton. Growing up in a small town held many fond memories for her. No matter where her life circumstances led her, she always thought of Andalusia as "home."

Sally loved all kinds of music, reading, house plants, homemaking, cooking, and home decorating. She loved to laugh, tell stories, and was kind, generous, hardworking, strong willed, outspoken, and loving. It is certain that she will be missed by her loved ones, classmates, and old friends. She was confident at her death that she was going to rest eternally with God and with her Lord and Savior, Jesus Christ.
