Shannon Downing

She was a good mother, sister, and Sha Sha to her grandkids. She loved her family and always loved to keep her grandkids she never missed a chance to love on them. She struggled in life but she made her kids know what love was. She created a happy home for her nieces and nephews they would love to go and stay at her house. She was always around when you needed a baby sitter. You needed a friend she was always there to talk to. She was like a bonus mom to her family. She will be missed by all of her kids and grandkids and family. She had been in a lot of pain the last few weeks so she don't have to suffer any more and is at peace and with the Heavenly Father. Go rest high on that mountain your work on earth is done. We will miss you and will always love ya. Shannon Downing
