Sharon Anne Lemon Ferrell

1943-2022 (age 79)

Sherry Ferrell of Foley, Alabama, passed away peacefully on Wednesday, September 21, 2022 in

Foley, with her children and close friends by her side. She was born in Mobile on September 4,

1943 to Roy Tucker Lemon, Jr. and Margaret Loyed Lemon. Sherry was a loving mother, nonny,

sister, aunt and friend, an avid Alabama football fan and dog mom to her beloved Wynston,

Lexi and Darla, who miss her dearly.

Sherry is preceded in death by her father the late Roy Tucker Lemon, Jr. and her mother,

Margaret Loyed Lemon, and a brother Steven Tucker Lemon, (Patsy) Foley, Alabama and

Sherry's companion and sidekick for 24 years, Avery "Bill" Sawyer, (Louie) Foley, Alabama.

Survivors include her sister Suzanne Lemon Aubuchon (Dan), St. Louis, Missouri; Sherry was

married to the late Gene Ferrell for many years, their 3 children Tonya Crow (Patrick), Bryan,

Ohio; Kendra Moseley (Rick) Jackson, Tennessee; Bo Ferrell (Lydia), Foley,

Alabama; 3

grandsons, Jeremy Crow, Billy Mee and Drake White; and a granddaughter, Whitney Crow; and 4 great grandchildren.

Sherry grew up in Mobile and attended Bishop Toolen High School for girls, now McGill

Institute. Sherry went on to live a life of excitement as a PGA golfer's wife and raising her three

children in northwest Ohio, ultimately moving to the sunshine state of Florida for many fun

business endeavors which included house boats, Sherry's buggies, ultra-light planes, and living

aboard from the panhandle to the Keys. Sherry's life was full of endless adventures. We will

always remember her love for a party on any occasion and sunsets over Mobile Bay and the

Gulf of Mexico. Mom, of all the sunsets we've enjoyed together, we know the view you have

now is the best.

Sherry always had a smile on her face and fur babies by her side. She was the life of every party,

the best birthday poster maker and gift giver we know. Sherry loved life. She was blessed to

have the best coworkers and neighbors anyone could ask for and she treasured each one more

than they will ever know. We are blessed to forever call her our mom, nonny, sister, aunt and

friend. We now raise our glass and say here's to you. We love and miss you so much already,

we will never forget you. And mom, we got your note, Darla has her mouse, and the lights are

on for Wynston.

Cheers to our next sunset mom (no way we could put a period on your life, so we won't) xoxoxo

“ Hello Sherry... I miss you.
Sherry Ferrell was my mother in law for the past 22 years. We grew very close over those years. Sherry would call me her "other daughter" and I would call her Mom. We have shared a lot of secrets together and we shared a lot of laughs together. Sherry was a born and bred Southern Lady. She loved big and made everyone around her always feel special. She never met a stranger and her friends list is too long to write down. I will miss our porch dates and the stories that she often shared with me about her life. Sherry, I promise you that I will always love your children and I will always have their backs (I've got Bo). You and I will see each other again my friend. I hope that you are dancing in your flip flops with a glass of wine in your hand. I will be looking at the sunsets for a sign from you. You are deeply loved and will forever be missed. I love you...
Lydia (your other daughter)

“ Sherry Ferrell has been my mother in law for the past 22 years. I never had to worry about that old line that you must watch out for your MIL. I was more than blessed to have Sherry as mine. She was always supportive of me and throughout the years we became very close friends. I will miss our porch dates where we would laugh about life and where she would share stories with me about her amazing life. And what a story it is!! She was a true southern lady, born and bred. No one could compare to her when it came to hosting a party. Oh the memories that I could share. Sherry, I promise to always have your children's backs (both human and fur). I know that I will see you again my friend. I miss you Sherry!!
Forever your other daughter... Lydia xoxoxo
