

Sharon Lynne Hill

May 1, 2021

On Saturday, May 1, 2021 Sharon Lynne Hill breathed her last breath and began her journey in paradise.

Sharon was born in Kankakee to Rosalie while her father, Bernard Pallissard, was away serving in World War II.

In February of 1962 Sharon gave birth to her first child, Kim, followed by Rhonda, then several years later, Michael.

Over forty years ago Sharon met and later married George Hill and faithfully loved and cared for him until her death. Together they flew private airplanes, captained boats, and toured the country from coast to coast in a 36 foot RV.

Sharon loved everything country, from southern fried chicken to Dolly Parton and George Strait, and could often be seen singing and dancing around the house to her favorite songs.

Sharon was always happy and busy doing things for other people. She loved to make pies from scratch and show up at the door of her neighbors with a fresh peach pie. In addition to being an excellent cook, she was also an award winning artist, once taking home a prize in a county ceramics competition.

Her sense of adventure and humor kept her friends and family entertained. During her debut on the Let's Make a Deal show, she was asked her profession, and without skipping a beat, proudly proclaimed that she was a retail therapist (shopping was a passionate sport in her life).

Sharon will be greatly missed by her husband, George, her daughter, Rhonda, her sister Gayla Cutler, her brother Bernie Pallissard, and her wonderful friends at the Grove, all of whom she deeply loved and who loved her dearly.
