“ To Kay's family - I am so sorry to hear of Kay's passing. Kay and I had been friends since we were 4-5 years old. After graduating we were in touch for a few years until I lost contact with her. I did get some information from her for our 50thi class reunion and wanted so much to see her there. She was always a good friend and although her home life was somewhat difficult for her, she had a wonderful personality. She was always kind and we shared a lot of good times. Would love to talk to Melanie, Carolyn or Jennifer. The last I knew Jeff was out of the country. If you care to fill me in on some of her later years, I would love to hear about her. I think she was in remission from brain cancer when our 50th took place.. My thoughts and prayers are with all of you.

Sincerely - Margaret Van Buskirk - 220 North Park Street -
