“ My husband, Marvin Hough, worked at the Orange Beach Recreation Center. He always enjoyed visiting with Shirley when she would come to exercise. I was privileged to meet Shirley as a member of the Scrabble Club. She didn't play Scrabble but there were always a lot of happy noises coming from the Rummy table where she also played with my stepmother, Margaret Walker. I will always remember her "well appointed" refreshments when we met at her home as well as her sweet smile and happy nature. Our sincere sympathy to all her family. We mourn with the hope of being reunited with all our friends and loved ones someday through Christ Jesus.
