“ I tell you this lady was amazing. She endured more than most would even be able to. She was such a role model to all her family and what it means to be there for family. She was always a joy to talk to to confide in and to share so much with. I am going to miss her so much. You never had to guess where you stood with this lady she told you how it was, no filter no sugar coating, just straight out the way it was. Shirley may you rest in peace now. No pain no worries. Until next time. Love you
