Shirley grew up doing farm work and caring for family from a young age. She was also employed at Baldwin Mutual & did campground work with her husband David Ulsrud. She was a very beautiful lady inside and out and always there to help others when they needed it. She enjoyed getting out when she could and enjoying life that God blessed her with. She loved listening to gospel music, reading the Bible, telling stories from the good ole days, and spending time with those she loved. She passed away October 16, 2018 at her home in Summerdale AL surrounded by her loved ones. Also thanks to hospice and all the caregivers that helped us through this last year. We all enjoyed the time God blessed us to spend with you and it will never be forgotten. We cherish every moment we had with you and hold your memories in our hearts. There's not a single day that goes by that we don't think about

you, and until we meet again we all love you. Fly High and R.I.P. Gone but never forgotten beautiful lady.

Special Celebration of Life Memorial will be held at a later date. Will update everyone with arrangements as soon as possible.

For a beautiful lady...

You stood by us through it all,
You saw us stumble,
You saw us fall,
You picked us up and held us tight,
In your arms the world felt right.

You washed away our tears and fears,
You walked with us through the years,
You showed us love,
You showed us strength,
You did for us at great lengths.

What we treasure most of all,
Is your love through it all,
Your beautiful face,
Your hazel eyes,
Your heart of gold eternal size.

We miss your smile when were away,
We think of you each and every day,
Just know that our love for you will never die,
And in the end we look forward to seeing you once again.

Arrangements are entrusted to Cason Funeral Service in Foley Alabama

“ When I was a little girl I used to think of her as a big sister. One of her favorite memories to reminisce about us was when I climbed up the ladder and got on the porch roof to look in the window and see the baby chicks. She sneaked up behind and grabbed me afraid I would fall off the porch. She will be missed!
