“ I'm so glad Kris and I got to visit last year. Steve was feeling well enough to go out to eat a couple of times, and he was good company. So sorry for the family.

“ Dear Aunt Melanie, Andrew, and Ben,

I am deeply sorry for your loss. Uncle Steve was a wonderful man with a wide range of interests, from barns to Bombardiers, but his greatest love was always his family. I hope that you can take comfort in knowing how much he cared for each of you and in the memories that you shared together.

Losing a loved one is never easy, but please know that you are not alone during this difficult time. You have the love and support of those around you, and I hope that you can lean on each other as you grieve and remember Uncle Steve's life.

My thoughts and condolences are with you and your family., I wish i could have been there today.

Please let me know if there is anything I can do to help.

Sincerely,
