Obituary for Susan Ostermeyer

February 10, 1959 - October 19, 2021

Susan (Susie Q) Ostermeyer passed away on Tuesday, October 19, 2021 in Foley, Alabama. She was surrounded by family and looked beautifully peaceful. She is the daughter of Willie and Loraine Parrish. She was born in Mobile, Alabama, where she attended and graduated from Murphy high school. She and her siblings would spend their summers on the beach, which is where she found her love for the ocean and waves. She then moved to the west coast, where she met the love of her life, Russell Ostermeyer, with whom she was married to for 42 amazing years, until her untimely death. Their love was one of a kind and full of adventures, passion and lots of laughs. She and Russell moved to Nevada where she worked as a bank teller and in payroll for the local hospital. She and her family enjoyed traveling, going to local craft fairs, visiting her family and celebrating Christmas most of the year and listening to gospel music every Sunday. She adored watching her children and grandchildren grow.

Susan is survived by her husband, Russ, their 4 children, Jennifer, Christy, Catherine and Rusty. Their 9 grandchildren; Gage, Riley, Lauren, Aubrey,

Frances, Joshua, Marilyn, Broox and Braelyn, and her 2 sisters Cheryl, Donna, her brother John and many nieces, nephews and cousins. Susan was a loving wife, mother, sister, aunt and friend who had a passion for life.

She is now reunited with her parents and a celebration of life will be held on November 13, 2021 at her favorite beach. She enjoyed being here where she would watch the waves splash. This is where she felt the most tranquil and most at peace

.In lieu of flowers, the family has asked to send positive prayers, thoughts and memories.

Arrangements are entrusted to Cason Funeral Service in Foley Al

“ Susan was the baby girl and totally spoiled. She was in fact a daddy's girl. But Susan was a tattletale. She had to confess everything to mom each night before she went to bed....that being said it usually involved one or more of her siblings. We were not happy....

Sue was having health issues but she totally caught us off guard by leaving us so soon. However, you are trouble free now... I love you and I miss you.....
