

Susan M Wellman Patterson

February 24, 2025

Susan Marie Patterson (Wellman), a cherished soul and beacon of kindness, left the world on February 24, 2025, at the age of 68, in Robertsdale, Alabama. Susan Marie Patterson (Wellman) was born on April 2, 1956, in Miami, Florida to Clifton and Delores Patterson.

Susan was a devoted mother and friend. She loved people and it shows in the amount of people that called her Momma Sue, Memaw or Mom. She never met a stranger and had the gift of making everyone feel they were important. Susan experienced great tragedy in her life and yet was still able to find joy. She showed us what perseverance and grit look like. Susan had a love for flowers, gardening and anything outdoors. She was thankful for each day and for each person that crossed her path. Susan will be lovingly remembered for her service to others, her strength, her determination, her laugh, her hugs, her feistiness, and most of all, her heart. Susan had a heart as big as the moon. She had a unique way of interacting with those around her. Honest and upfront, she held a special place in the hearts of all those she met. She loved like no one else and her legacy will live on in everyone she touched.

Susan is survived by her son Dustin Wellman of Robertsdale, Alabama and two daughters Christine Wellman of Robertsdale, Alabama and Priscella Bruno (Steven) of Loranger, Louisiana: her brother Jim Patterson (Celine) of Cantonment, Florida: her niece Elizabeth Blanco (Ray) of Waxahachie, Texas:

her grandchildren, David Wellman, Mason Emmons and Nick Bruno.

She is preceded in death by husband James Wellman, her parents Clifton and Delores Patterson, and her brother, Clifton Patterson Jr.

Susan's celebration of life is still being developed by the family and will be posted as soon as it becomes available.
