“ I worked with tammy for 3 years after I got my kick off start in healthcare. She was funny, she always was smiling and she was so easy to talk to. Her spirit must be with me these days because she randomly just crossed my mind.

“ She was a sweetheart? I wished I had known when she died. I would have sent her flowers. She was an inspiration to me because she was so sweet. Never heard an unkind word out of her mouth. Rest in peace Tammy!

“ The first time I met Tammy I loved her. I had the fun of being around her many times. The following is a quote from a devotional that I read and I thought of Tammy vwhen I read it. "The bee is more honored than other animals, not because she labors, but because she labors for others." Rest in Peace Tammy.

“ Oh the memories of our youth! We had some fun times together as teenagers but my fondest memories with Tammy lie in the summers we spent in Panama City Beach for Church youth camp. She always kept us laughing whether it be with her or at her. I hate as adults the once close youth group lost touch with each other. But we grow up some move away and we all just get busy with life. But in this life she was an amazing person. She will be deeply missed. Fly high sweet Tammy!
