“ We are so shattered by Terri's death. We had the pleasure and privilege of being John and Terri's neighbors for almost thirty years and always enjoyed our time together, especially hanging out in the garage! Terri will be in our hearts forever. Dana and Wanda Hansen

Terri is my cousin. Her mother, Nadine, is my aunt and my godmother, sister to my Aunt Fern and my mother, both deceased. Living in MN, I had an opportunity to spend time with Terri throughout her growth into adulthood and marriage. I had not seen her for many years nor heard from her or her mom. She will always live in my heart as the precious girl she is.
