“ Terry and I send our deepest condolences to Chris's family.

Terry & Cecilia Clark - November 13, 2021 at 11:17 AM

“ My sincere condolences to Chris's family. I lived next door to Chris for over a year, and within that year we became good friends. No matter how bad he felt, he would make it a point to knock on my door and asked me if I needed anything from Rouses... His favorite store in the world as he told it.

When I moved in here next to him I did not have any friends what so ever, and he made it a point to come and knock on my door and introduced himself. Ever since that moment we've been friends even through hurricane Sally we sat on our porch in our chairs for a week without any power just talking. As trivial as it may seem that was one of my best memories I had with Chris. I miss my friend, I miss my talking buddy, and I miss seeing him everyday. God loves you Chris and so do I rest in peace my friend... Mike
