“ *When you drew your last breath your life began at death you had been wanting to see them since 1989. God said come on Theo it's time.*

*When you stepped in Jordan's Chilly Tide

“ *Right out of High School, you married our sister, in which just a week, before you died, you said she was the love of your life. You'll start out young in love and full of hope and dreams, those dreams were shattered when your one & only child and grandchild was killed 1989, still, you picked up the pieces and kept going on. Never thinking of Theo, but everybody else's. We are so sorry you're gone we're going to miss you. On earth our Thanksgiving Dinner is over, we're here without you. Maybe someday in heaven, we will have a Thanksgiving to top them all.*
