“ So many great memories of Toney's humor, humanity, passion for story telling and sharing with others the history and adventures of growing up in NE Arkansas and moving north to Illinois. Even the yard work, mentioned by his neighbor Ms. Welch..those pine needles he gathered for his mulch, the prayers shared for his son's recovery, the pain of that loss and Jean's. I had not heard of his passing until recently. Our sympathies to his family, neighbors and many friends. You lit the world, Toney. Will hope to see you again in another one.

“ Sorry to hear of Toney's passing. I would walk my dogs past his home and on occasion get to visit with him. He took pride in keeping his yard immaculate. Every week he had a pile of debris at the curb ready for pick up. He was hoping the boxing would keep him going. He didn't want to be a burden to his children. RIP Toney.
