

Toni L Robinson

May 16, 2025

With heavy hearts, we bid farewell to a beloved wife, mother, and friend, Toni Lynn Robinson, of Lillian, AL, who passed away on May 16th, 2025, at the age of 56. Born on November 18, 1968, in Peoria, IL, Toni was preceded in death by her cherished parents, Sharon and Samuel Hess.

Toni's life was one of boundless love, kindness, and warmth. She had a way of making every place she touched more beautiful, whether it was in her garden, where she worked alongside her husband, or in her special antique store finds. She had a gift for turning the simple moments of life into something magical, always leaving things better than she found them.

Her laughter, silliness, and unwavering kindness were gifts she shared freely, and her spirit was a constant source of light to all who knew her. Though Toni may no longer walk among us, her love and presence will forever remain in our hearts.

Toni leaves behind her devoted husband, Todd Robinson; her two loving daughters, Samantha French and Breanna Robinson; her son, Justin (Tera) Robinson; and her adored grandson, Lane Robinson. She was also survived by her sister Tracey Peak; and brother, Troy French; and abundance of treasured nieces and nephews. Each of us is deeply grateful for the time we shared with her and the immeasurable joy she brought to our lives.

A Celebration of Life will be held at the Lillian Methodist Church, alongside her dear friend, Johanna Martin, on June 7th at 2 p.m. May we gather to honor her memory and the beauty she brought into this world.

“ Toni brought so much laughter and joy into our home every week. I really though of her as a lovely friend who had the biggest heart. I look around my house and see things that she added her magic too. It brings me so much heartbreak now. I am so grateful to have know her, but I know those who love her are absolutely heart broken. We are thinking of her loving husband, children, and grandchildren most of all now.

“ I lived in Lillian for 20 years. My husband wanted to move, and we put our home up for sale. I met Toni and Todd one year before they brought our home. They looked the area, and home. They said we'll keep in touch, they did. A year went by and there they were!!! Walking up the driveway. Toni and I hit it off like we were sisters ❤️. Sonny and Todd were talking about the house. They brought the house, and I told Toni she could have my cleaning jobs, for they were families, not jobs. Toni came to a few of them, we had so much fun together. We made good partners. Toni, was caring, fun, loving. I've kept in touch with her when we moved. I will miss her. She will always be my sister by my heart. I'll see you again, when Jesus comes back. I love you ❤️ PS. I'll keep in touch with your husband, if you don't mind 😊.
