“ My Neighbor, my friend! I met Tracy when I began working full time at MCC 10 years ago. She instantly befriended me and took me under her wing. We became close friends, and remained close even after she retired. We shared the same love of the moon, the beach, sunrises and sunsets, and porch sitting. Oh how I treasure our moments together at work and when I visited her during her retirement, and our good morning and go look at the moon texts. Strong, resilient, a warm smile, and a friend to all. I'm gonna miss you my neighbor, my friend. I love you, and we'll walk those streets of gold one day just like we walked the beach. 🌹🌴🌊 Prayers for all who loved Tracy. She was indeed Everyone's Tracy!❤️

“ Tracy was a very special lady. We met when she started working at MCC. In time, she became one of my closest friends. Tracy had this way of drawing people to her. She was no nonsense and straightforward with a huge heart. Her smile lit up a room. If somebody needed help, she was the first to step forward.. often with something delicious she made to make them feel better. She loved her family so much and was so proud of them. She told great stories and gave great hugs and great advice. The world will be a little darker without her. The loss is just unimaginable. But she will never be forgotten because love like that.....well it stays with you forever. My heart goes out to you all and prayers are will you. I am so very sorry.
