

## Tracy Austin Swoboda

December 5, 2025

Tracy Austin Swoboda, born October 9, 1962. A life long resident of Silverhill Al, died Friday night, December 5, 2025 at the age of 62.

He is preceded in death by his father George Swoboda.

He is survived by his son Tex (Autumn) Swoboda of Robertsdale, Al, his daughter Racheal Swoboda of Loxley, Al, one Grandchild Payton Swoboda, his mother Loraine Swoboda, his sister Trudi (Tim) McKinley, and one nephew Dalton McKinley.

Tracy from a very early age loved to farm like his daddy, at around three years old he planted dry lima beans in the front yard out in Belforest where he lived at the time and they sprouted. After the family moved to Robertsdale he was driving a tractor by the age of 9. He then would learn every aspect of the family farm and take over the entire operation after the sudden loss of his dad. He farmed for a long time after that, and never lost the love of growing things.

Tracy then worked in different fields and became a very skilled electrician. He also could handle most plumbing issues including pumps and wells. He was a very skilled, self taught mechanic and worked on all of the farm equipment, vehicles and toys. Once, as a teenager, he installed a motorcycle engine on a go-cart he named MelloYello. He then took it to Wolf Field, raced it, and won.

He loved building things out of nothing and having a blast with his friends.

Tracy was a unique individual and one of a kind. He had great friends and family over the years with tons of stories. He will be sorely missed.
