

Victor John Allbritton

December 2, 1959 - September 29, 2015

Memorial Service at a later date.

Tribute Wall

EH

“ *First off my condolences to the family. Ive known Vic for quite some time. We are brothers in the concrete pumping industry. The day I found out, I was in Covington La. About 230 in the morning I was in the middle of a 400 yard pour. I still do not know how to get in touch with his son Connor. Have there been a service for him yet? Once again, my condolences to the family.*
