

Victoria Carlisle

May 16, 2026

Victoria Carlisle was a warm, caring and beautiful soul who made a lasting impression on everyone she met. She had a gentle, welcoming presence and a natural kindness that made people feel comfortable and cared for in her company. Victoria had a gift for making life feel a little brighter and more meaningful just by being herself.

She loved cooking and was known for leaving you with an unforgettable meal; she also had a true green thumb, taking great pride in her plants. Victoria loved her dogs deeply, treating them like family, and she also enjoyed all things makeup, beauty, and hair. She had a natural passion for helping others feel beautiful and confident, always encouraging and uplifting those around her in a way that made them feel special and cared for.

Above all else, Victoria was a devoted and loving mother to her sons, Christian and Carter Stewart. Her boys were her greatest pride and joy; she loved them with her whole heart. Everything she did was rooted in her love for her family and that love will continue to live through them.

Victoria passed away on May 17, 2026, and will be deeply missed by all who knew her. Her kindness, beauty, and love will be remembered always.
