“ Tori,  
I'm happy I ran into you several months ago at the Farmer's market. You showed me pictures of Ciri and expressed how excited you were to bring her home. You were always kind to me. I remember being in home-room at Foley High as a nervous freshman & you would always call out my name & wave as you'd walk by. You will be forever loved and missed by many.

“ *My sweet sister, where do I begin....we weren't always the closest, because young siblings are annoying sometimes....but GOD I loved you. You grew up to give me two beautiful nieces, and you had the most beautiful life on the way. Just know that im terribly heartbroken. You were way too young. Please give our brother and papa lots of love, I know you've been waiting. I love you sister 💕*
