“ *Judy, Margaret, and Joan,  
I'm so sorry for your loss of Vina. I loved her dearly. She always welcomed me into she and Jim's home and let me know my friendship with Jim was important to both of them.  
This has been a really hard year for your family. I'm praying that God blesses each of you with strength and love.  
Please reach out to me on facebook or call me. I have a few beautiful pictures of my time with Jim and Vina when I visited with them in January.  
With love to all,  
Robbie Zalt*
