

Wanda Faye Hornbeak

September 10, 1944 - October 31, 2020

Wanda Myrick Hornbeak, age 76, passed away peacefully surrounded by her family October 31, 2020, due to COPD and congestive heart failure. She was born September 10, 1944 in Fairhope, Alabama to Tom and Bernice Myrick. She was married to Richard Hornbeak, in May of 1973, who preceded her in death in 2006. She was also preceded in death by her sister Beverly Ulrich, Sister Tomi West and cousin/sister Helen Hooks.

Wanda was a loving Mother, Grandmother, Great Grandmother, Sister, Cousin and Friend to many. She was known by her "Grands" & "Great Grands" as Meme. She had a huge heart and always treated everyone like they were family. She loved nothing more than hosting family gatherings on the "farm" where she and Richard made their home. If there was ever anyone who needed a hand or place to be, she was always there to give them the help they needed, unconditionally.

She worked as a nurse for many years. She worked in a nursing home as an aid prior to attending nursing school to complete her degree. Her favorite employer was Dr. Taylor, where she tended to many people that she had met and known over the years and made lasting friendships along the way.

By her grandchildren, she was known to tell many stories of her childhood, growing up in Fairhope with her sisters and cousins. She always kept them

laughing, with her detailed renditions of life in the South and experiences. She also told them about some of her experiences as a nurse and the unusual and bizarre things she encountered over the years.

Wanda is survived by her sister Carolyn Rawson, sister Kathy Monns; sister Pamela Salter; her two sons and their wives Tom and Angie Schurr, Tim and Angie Schurr; and three daughters and husband; Sonya and Bob Taylor, Annesia Chance and Ina Williams, 14 grandchildren and 8 great grandchildren and many nieces, nephews and cousins. All of these she loved and touched deeply.

A private ceremony will be held for the immediate family.

Please join us celebrating her life Saturday afternoon November 28, 2020, between 2:00 pm. — 4:00 pm at the home of Chuck and Summer Squires. In lieu of flowers, donations may be made to the charity of your choice.

The family would like to say a special “Thank You” to her Hospice nurse, Amy Patton for the dedication and kindness shown to Mom during her illness. We couldn’t have asked for a more professional and kind caregiver for her.

“ *The first time I met Wanda she and I drove to the video store to rent some movies. I was cut off by someone and I said some choice curse words. There was a brief pause, then Wanda looked at me and burst out laughing! I knew we were going to get along great. And we did. I loved to hear her laugh. I will always love you Wanda.*
