

Wanda Carolyn Raines

December 25, 1961 - November 15, 2021

Wanda Carolyn Raines, age 59, and a resident of Fairhope AL, passed away at her home with family by her side on November 15, 2021. Wanda had a long battle with pancreatic cancer but she stayed strong, determined, and fought hard to the end. Before the Lord called her home, Wanda trusted Jesus Christ as her personal Lord and Savior.

She was preceded in death by her parents Lottie and Roy Parnell, brother Billy Parnell, and brother Baby Ronnie. She is survived by her husband Steve Raines, son Daniel Raines, granddaughter Adalynn Nova Jaspersen, one sister Mary Kinsey, three brothers Steve Parnell, Ray (Mollie) Parnell, Oscar Parnell and many nieces and nephews.

In her younger years, Wanda started out as being a babysitter for many children and she touched the lives of each one of them in a very special way. Later Wanda went to work for Hollis Antique Furniture store for 15 plus years and met every customer with a smile that walked through the door. Not only did Wanda have a love for kids but also a love for animals as well. She would take in any animal that needed a home whether it be a goat, a pig, chickens, or a dog. She had a big heart! Wanda was a big country music fan, Loretta Lynn and Conway Twitty being her favorite.

Many memories will be cherished from the stringing of popcorn for the tree listening to music at Christmas time to walking the dirt roads picking blackberries, and picking pecans for people around the neighborhood. We're sure gonna miss you Aunt Wanda!

The family would like to give a special thank you to the Hospice Comfort Care team for their compassion and care for Wanda and her family.
