“ *So sorry my old friend that I am just now hearing of you going home! You always called me cuz or baby sis even though we were not kin! To our knowledge anyway! One of the sweetest people I ever knew! You always made me smile! RIP sweet friend until we meet again!*

“ *One of my favorite memories of Papa Bear was when he got me and Jodi out at his property to teach me how to shoot the shot gun and didn't tell me about the kick and he laughed so hard when I almost fell down. He did so many cook outs for us kids. He made us feel so welcome and accepted. My favorite memory is one night when me and him and Jodell went in the old "Pick Up Truck" down to the bay in the middle of the night to go gigging for flounder. We didn't get any fish, but it was the most fun night. He was so kind to me. He will be greatly missed. I love you Papa Bear.*
