“ I have the best memories of Bill & Carolyn as neighbors in Manassas, Virginia. We took their motor home everywhere- to Kings Dominion, to Cape Hatteras, to pick peaches in the Shenandoah Valley. We sat on the roof deck at Hatteras to watch fireworks and Bill and my 2 yr old, Paula, started "rating" them from 1-10. He would actually argue with a 2 yr old if they didn't agree on the rating! Then he laughed at the absurdity of it....he was a good friend and will always be loved.

“ My husband Bill was a hard drinking Irishman. He loved me, my son,Robert, his daughter, Carolyn#2 and good movies. His favorite movies were Winds of War, War and Remembrance, and Lonesome Dove and he would play them over and over. These dvd's I will keep.He was a Navy vet. served 4 years and loved his time in the Navy but did not want to make it a career He was an systems engineer , did a lot of work with and for the Navy, He worked for IBM for 20 plus years , retiring and we moved to Lillian. Bill,liked to do his own yard work and when his health began to fail and he had to give that up it was heart breaking to watch. I have prayed for Bill and hope God has listened and taken Bill home to heaven. Go with my love.your wife Carolyn
