“ Dearest Jeanne Ellen, billy and families,

*It was with a sad heart that I Just received news of the passing of your amazing father, bill. I am so sorry that neither rod nor I got word when he died in December.*

*I have so many memories to recall that I would not know where to start!!! Rod and I spent some fun times at your house but, for me, the best part was getting snowed in!!! Those were the days!*

*Wayne And I send you all our most loving and deepest sympathy at this time of great grief. Now your dad is dancing with his Shirley in heaven and I bet they have bumped into hammer and ann! Let the good times roll!!!*

*All our Love to you and your families,  
Rachel pierce Newell*
