“ I met Bill in Montgomery, Al in 1966-67. The last time I saw him was in 1968-69. I found him on Facebook a few years ago and we chatted often. I am so sorry that he lost the battle but know that he is a better place. He was a good friend and I will miss our FB "talks " My sympathy to his wife, Paige and "Little Bill."

We knew him as Uncle Bill, his sisters, mother and father called him "Billy". As youth we played in his parents backyard, churned ice cream in a hand cranked ice cream machine. Over the years we grew apart, and the last time I saw him was at his sister's funeral (Louise). We spoke a couple of times in the last three years and yet we never saw each other again. My loss. Our hearts, prayers, sympathy, and love pour out to Paige, "Little Bill" and other family members.
