

William E Peters

July 26, 2023

With great sadness, we announce the recent passing of William "Pete" Edward Peters in Orange Beach, Alabama. Pete and his beloved wife, Patricia, recently moved to Alabama to enjoy the beach area, year-round golfing weather, and to be closer to family. As Pete was getting settled into his new community, and a new golf routine, he was diagnosed with aggressive cancer which he tried valiantly to fight. Pete wore many hats, with pride. He was known as "the commish" by his Fredericksburg, Virginia Bunker Boy golf buddies and as one of the "kids from the corner" from growing up in Philadelphia, Pennsylvania. By far one of his favorite and most precious titles was "grandfather" and cherished "Poppy." But it was as the devoted and loving spouse of Patricia for 37 years that he experienced the greatest joy and happiness as evidenced by all who knew him.

Pete's tales of his work history were legendary and enjoyed by many, young and old. After a brief stint in the Army, the majority of his professional life was spent working at Bell of PA where he and Pat met just a short time before they both retired. After retirement from Bell, he found a new career working at Wells Fargo and retired from there as well.

In addition to his wife Patricia, he is survived by daughters Kathy Savage and Colleen Cummings. He is also survived by stepson Jeffrey Krill (Carolanne) and was a proud grandfather to Samantha, Erika, Tabatha, Francesca, Aidan,

Sophie, Grady, JT, and Jack. Pete was also blessed to be a great-grandfather to Giovanni, Lorenzo, Rhiannon, and Lee.

Relatives and friends are invited to attend his Mass of Christian Burial on Tuesday, August 8th at 2:00; visitation is to begin at 1:30 at St. Margaret of Scotland, 601 W Laurel Ave, Foley, AL 36535. Rite of Committal St. Margaret of Scotland Cemetery, Foley.
