WILLIAM RENE RUNDLE

William Rene Rundle was born on July 7, 1955, to the late Charles Rundle and Dora K (Hare) Rundle. He died unexpectedly on November 19, 2025. William was a gentle, kind person, and loved telling jokes. He took pride in saying he worked for four companies that never changed address for 45 years.

He was baptized as one of Jehovah's Witnesses and loved collecting and reading many Bible translations.

He also liked watching Star Trek and Andy Griffith shows.

William is survived by his loyal and attentive wife, Sonia of 25 years; his daughter, Carmen Beckham (John), and his grandson Miles Messick. He is preceded in death by both parents and his only son, William L. Rundle.

We look forward to the near future when we will welcome William back, along with the many loved ones who have fallen asleep in death, to the Bible's promised paradise at Revelation 21:3-4 where God's tent will be with mankind and pain, sickness and death will be no more

“ Romans 8: 38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,
39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

It was over 25 yrs ago, you became a part of our family. My mom, speaks so highly of you and how much she loved you. Distance separated us but from the time I met you, I instantly recognized you were a gift given to us. You were so peaceful, gentle and with a great sense of humor. An anchor and a tower of strength for my precious sister Sonia. You never complained was so easy going. Desmond and I held you in his esteem. We are saddened by your sudden departure but know this is not the end . We do not sorrow as those who have no hope, so until then our dear brother, take your rest until we meet again
