Greg was a beyond talented musician and a proud father. He played music at restaurants all around Baldwin County & many benefits & fundraisers. He was willing to help or teach anyone anything they needed to know about being a musician. He loved going riding on his motorcycle with all of his friends. Anyone he met, he talked about his children to them. He left a mark on everyone he spoke to. We thank God that he is no longer in pain or suffering. It brings us peace to know that he is now walking with the Lord. We cannot

wait to rejoice in wonderful sound when we see him again.
