

# William Walters

April 6, 2016

Arrangements pending

# Tribute Wall

BW

“ *My Dad passed at my home. His wishes were carried out to the best of my ability. He was an avid outdoorsman. He was well traveled in his lifetime. Following in his father's footsteps he was a musician. He played in the Tampa/St Pete with his father. He played with Chubby Checker and Doc Severson to name a few others. He was a member of the USSWU, Elks Club and the Eagles.*
