“ *The Weiss Family has always been such a great one I've had the pleasure of being connected with. Whenever I walked into the house, without fail, Greg would greet me with a "Well, Hey! I think Patrick's in his room. You hungry?" Greg and the Weiss family have always been such a positive, loving family and I'm truly grateful they've let me hang around all these years. A lot of us wouldn't be the people we are today without knowing the Weiss clan.*

RIP BIG G!

“ *My sincerest condolences to Kay and the boys. Greg was such a special guy and often the center of so many good memories of mine from high school. He had such a great sense of humor, but he could really throw you sometimes when telling an outlandish or serious story because you were always inclined to believe he was joking. That's what I loved and will remember about Greg Weiss! He kept things lighthearted — and boy, could we really use that right now. May he rest In peace, and may the Weiss family know that my life and many others were made brighter by him. Love, Debi Rehm Heath McGill- Toolen class of 1974.*

“ I'll never forget Mr. Greg always convincing me (the aspiring golfer) that he had won the Masters several years ago. I would try to make him prove it to me by showing me the Green Jacket. He would always pretend that it was no big deal, and the jacket was stuffed in his closet somewhere - he would show it to me next time!

The Weiss family was always good to me growing up, and have provided numerous fond memories of childhood. I hope that this short memory brings them joy.

Prayers to the entire family ❤️ - Bernard
