“ My words will fall short on this special man. I was Robertsdale PTO President many years ago and worked with Bill to help make our school even better. He worked tirelessly on the grounds. Always had a smile for the Kids. He was a Proud Navy man like myself. But his Generation was something special and I always listened to his advise and guidance. I have no doubt about his faith and he earned a Forever Home free from pain and sickness. Rest easy Shipmate , Smooth Waters ahead, you will be missed...

I taught school at Robertsdale Elementary for 16 years, and Bill was such a delightful, caring man. Anytime I needed anything done in my room he was "Johnny on the spot." He always helped with a smile on his face even when his knee was really hurting. He will be missed.
