“ I will share a memory. My childhood this man made possible, he
worked hard for everything we had. He didn't make me, he choose
me that's a different kind of love. He lived a great life, and he loved
my mama Bonnie Wright very much, no what those two had going
on in life he never stopped loving her till the good Lord called my
dad home. He will be missed by many, and is dearly loved. I love
you dad, save a spot for me, and don't have to much fun with bubba
up there on the streets of gold. Matter fact, burn um down.
